

Join AP Booster Club for an informative program

College Funding for Parents

presented by

Peaks College Prep

- *Find the Right Schools* - There are over 4,000 colleges/universities in the United States, but 75% of families apply to the same 50 colleges. This makes it more competitive. Are you applying to the right schools for your child?
- *Use Insider Tips to Save Thousands* - Income isn't a sole factor in getting financial aid. Did you know if you make over \$250,000 per year, some colleges will compete for your child by offering a discount for your 'business'?
- *Maximize Your Financial Aid Awards* - Did you know the order in which you list colleges on your financial aid forms can affect your financial aid award package? Listing them strategically can increase your grant awards by an average of 20%.

WEDNESDAY, NOVEMBER 11TH at 7:00 pm

Virtual meeting check in starts at 6:45 pm

Current AP Booster Members will receive a link to attend

Please join at www.dragonap.org

All programs throughout the year included in one membership fee.
