

Privacy Policy

As concerns about the protection of personal information are increasing worldwide, it is important that businesses, both small and large, implement and provide their site visitors with a comprehensive privacy policy. A privacy policy is a statement that discloses some or all of the ways a website collects, uses, discloses, and manages the data of its visitors and customers. It fulfills a legal requirement to protect a visitor or client's privacy.

There are multiple aspects of privacy law that all website owners must comply with when handling personal information.

What type of information do we collect?

Personal information that you provide on our website such as email, name, phone, addresses, & billing details is kept confidential and used for intended purposes only. Collected information may be used on this website to process payments, deliver products, respond to contact card, access subscriptions, send emailer and book appointments.

How do you collect information?

When you conduct a transaction, sign up for a subscription/email list/challenge, or fill out the contact card on our website, as part of the process, we collect personal information you give us such as your name, address and email address. Your personal information will be used for the specific reasons stated above only.

Why do you collect such personal information?

We collect such Non-personal and Personal Information for the following purposes:

1. *To provide and operate the Services;*
2. *To provide our Users with ongoing customer assistance and technical support;*
