All ideal apparel canvases for your awareness message!

How we can make your message matter.

At Spectrum, we want to help make your message have meaning right from the very start. That is why for every dollar we generate from adding a message related to Breast Cancer Awareness to a product, we will donate a percentage** of that cost to The Rose, a nonprofit breast health organization whose mission is to support and ensure all woman have access to breast cancer screening, diagnosis and care.

***Spectrum Uniforms pledges to donate 5% of all decoration revenue generated in 2019 wherein the Embellished message supports breast cancer awareness. Embellishment may be in the form of embroidery, heat transfer, pad printing, engraving, or UAV printing.*

Bags • Scrubs • Lab Coats
Jackets • Accessories

If you can imagine it, we can help create it!
