Ripple Effect: Living Our Legacy

During our retreat, we will acknowledge the gifts God has given each of us and explore how our relationships have a lasting impact on us and on others. All of us are uniquely designed for purpose and contribution. How might we connect with others by living authentically and sharing our unique self? Where might God be inviting us to cast a stone, creating a ripple effect with our one precious life? Join us at the Chubb Conference Center to explore the ripple effect of your life and legacy.
