Package Details

Set within the hillside enclave of Cap Estate, this private cottage brings together space, privacy, and the natural beauty of St. Lucia. Surrounded by tropical gardens, the residence is designed for effortless indoor-outdoor living, where an open layout extends to a private pool, outdoor shower, and expansive deck.

Plantation Beach sits just minutes away, offering a stretch of coastline defined by clear water and soft sand. Inland, the island reveals one of its most distinctive experiences. At Sulphur Springs, mineral-rich volcanic mud and natural hot springs create a grounding contrast to the coast, followed by a cool rinse beneath a nearby waterfall.

The day continues with a relaxed Creole lunch, where local flavors reflect the island's depth and character. Back at the cottage, the setting shifts naturally into the evening. Open air, surrounding greenery, and quiet seclusion create a sense of ease that carries throughout the stay.
