Disclaimer:

* Certain provincial or local laws may restrict or limit the amount or applicability of the merchants' surcharge percentage. Although we offer credit card surcharging in most provinces, merchants are responsible for determining the legality of surcharging in their provinces, and merchants are solely liable if their surcharge practices are found to be unlawful. Credit card surcharge applies to credit card only, not available on debit card or prepaid card transactions. Credit card surcharge is not available in Quebec.

** Debit cards for the Plus network are not eligible for On Demand Funding. Established interchange and payment acceptance costs will be collected for transactions settled through On Demand Funding.
