CHAMBER OF COMMERCE

DOOR PRIZE CONTRIBUTIONS FOR BANFF CENTRE MOUNTAIN FILM FESTIVAL WORLD TOUR 2023

Thank you so much for your consideration to support this Chamber fundraising event.

If your goal is to bring audience members into your store:

A gift card will ensure a future visit and create an opportunity to generate sales revenue.

If your preference is to donate product:

Be sure to affix one of your business cards to your item so that the prize winner knows that your business made the generous donation.

BMFF has robust sponsorship agreements in place with their main sponsors. As such, there are protocols in place for the types and brands of products that can be accepted for prizes.
