Connecting Communities, One Show at a Time

26 Years of Bringing Businesses & Homeowners Together

Welcome To The SHOW

Who We Are

Founded in 1999, BC HomeShows Ltd. has produced more than 220 shows over the past 26 years. We currently serve the communities of Kamloops, Kelowna, Merritt, Penticton, Salmon Arm and Vernon in the BC Interior and Abbotsford in the Lower Mainland. We are continuing to expand into new communities, such as Revelstoke & Williams Lake, creating even more opportunities for local businesses to connect with local clients.

Demand for affordable home shows remains strong, and we are committed to providing small businesses with the highest standards of quality, service, and value. Our goal is to make participation accessible while delivering measurable results for the businesses we work with.

Since day one, we've upheld our promise to keep admission free for attendees, a policy that continues to generate overwhelmingly positive feedback from both consumers and exhibitors. By keeping our shows open and accessible, we help ensure steady traffic, engaged audiences, and successful outcomes for our business partners.
