

The Revelstoke Terry Fox Run is in jeopardy and we need your help to ensure that the community's 34<sup>th</sup> annual run can take place this year on Sunday, September 16<sup>th</sup>. Revelstoke is seeking a volunteer(s) to continue Terry's legacy in the community and give individuals the opportunity to fundraise for cancer research.

*"The Terry Fox Run has been with us in Revelstoke since 1985", praises Donna White, British Columbia and Yukon Provincial Director. "An astounding \$76,000 has been raised at the Revelstoke run for innovative cancer research."*

Given that the run is fast-approaching, we understand that people have a limited amount of time to prepare for the run, which is why we are also open to other fundraising ideas as an alternative to the traditional run. This could mean hosting a BBQ, bottle drive, or any other event that will allow for the community to continue Terry's dream of a world without cancer.

If you, or anyone you know is interested in volunteering for the Revelstoke Terry Fox Run, please contact Donna White, BC/Yukon Provincial Director at [donna.white@terryfoxrun.org](mailto:donna.white@terryfoxrun.org), or at 1.888.836.9786.

Thank you for all your help and please feel free to contact me with any questions or concerns. Thank you for your support and have a wonderful week!

Best,
