Claim payment should, too.

UFG Insurance teams with InsurPay to offer claim payment options built to suit your busy schedule.

Customers who don't want to wait for a paper check to arrive in the mail will be given the option to receive an electronic payment through InsurPay's secure online system when a claim is filed.

Choose from options such as direct deposit into a banking account or payment through a prepaid debit card. The process is quick and easy!

If you have any questions, you can reach InsurPay at 855-682-1762 or via email at support@insurpay.com.
