

## Professional Glass Repair Services in Asheboro, NC

If you have a broken piece of glass in your home or are driving a vehicle with a cracked windshield, don't delay—call Smith Glass to protect you and your family from harm. We're known across Asheboro, NC, and the surrounding areas as the glass repair and installation experts thanks to our professionalism and efficiency at every job site. With more than 70 years of experience, we are uniquely qualified to handle any and all of your auto, residential, and commercial glass needs. With our strong reputation in the communities throughout Randolph County, you can rest easy knowing you've found a glass repair and installation company you can trust.

As a family owned and operated company, we treat you as our neighbors and friends—because you are. When you work with our window repair and installation technicians, you'll receive the personalized service you deserve. From repairing cracked storefront glass and car windshields to installing new glass shower doors in your home, we can do it all. Call Smith Glass today to schedule service. We're proud to offer mobile services for auto glass repairs and replacements or to create a customized solution for your glass needs at home or your office. We can't wait to work with you!

We are on every major insurance company's preferred installers list and are happy to file your claim for you. Rely on us to handle everything, start to finish!
