

OCTOBER 16TH

DAY OF CHANGE

#forRMHC

Visit your participating McDonald's® on October 16 for a special one-day celebration of your spare change and support!

Last year, RMHC helped keep over 5.5 million children and families together and near the care and resources they need to thrive, thanks in part to the change donated by McDonald's customers.

The nickels, dimes and quarters you donate when you visit McDonald's help RMHC give families access to quality health care as well a place to sleep, eat and cope while their children are hospitalized.

Gather your change now and visit your participating McDonald's on October 16 to participate in the RMHC Day of Change!
