

Meet Morgan Piasecki

Guest Services Volunteer at Riley since May 2015

...continued

What are your duties?

"I do a little bit of everything: prepping food, serving meals, making up beds, cleaning the rooms, stocking pop, accepting and sorting donations, stocking linens and other supplies, checking in and talking with guests. A little bit of everything. Whatever is needed, I just do that."

What would you tell others who are looking to volunteer?

"Volunteering at Riley is great because you get to see a lot of families come in and hear their stories about why they are here. Some are just here for a couple of days while others are here for months. So, it's kind of nice to hear their stories and be able to help them a little bit when they're away from home staying with their children."
