\*\*Note from the Eckstein School Nurse LeAnn Rowlen: Here are two important letters and some links regarding your student's 2019-20 health and safety. Don't hesitate to email or call me. Feel free to have your physician fax me your student's orders / medication authorizations directly to my confidential fax.

**Annual Student Health Information** 

Meningococcal/HPV Letter

\*\*Medication Information from the Eckstein Nurse: Welcome to the 2019-20 school year! It's hard to believe summer is just about over and school is starting soon. There are a few things I'd like to address to ensure we have everything in place to best serve your student's health needs.

To prepare for a healthy and safe 2019-20 school year, please provide updated health and medication information on your child early. Please complete paperwork early and return it to the nurse's office before the 1st day of school in September. The <a href="Medication Authorization">Medication Authorization</a> form must be completed for any medications that your student carries on them or keeps in the nurse's office. This includes over the counter medications such as Tylenol or ibuprofen. Please keep yourself a copy of your signed forms for your future use on field trips. I do not manage records for field trips.

Students with a reported life-threatening condition, such as a life-threatening allergy, MUST have emergency medication on or before the 1st day of school.

- Students without emergency medication will not be allowed to attend classes until the emergency medication is received.
- If you believe your child no longer has a life-threatening allergy or condition:
  - Request a medical note from your health care provider that clearly states that there is no lifethreatening condition that requires emergency medication.
  - The medical note must be received on or before the 1st day of school for your child to be allowed to attend classes without the emergency medication.

I am back in the office next week and will be updating emergency plans and care plans for all students who require them. I will email them to you as they are completed. If there have been any changes to your student's health, please let me know as soon as possible.

Medications can be dropped off on Monday August 26th 9a to 2p. If you'd like to bring in your child's medication at another time please reply to me and I will arrange another time with you. Medications must be brought in the original bottle, with your student's name on it.

Please don't hesitate to let me know how I can best support your student this year. Ms. Rowlen, Eckstein Nurse (206) 252-5017, <a href="mailto:lerowlen@seattleschools.org">lerowlen@seattleschools.org</a>, Nurse Fax (206) 743-3119, Monday-Friday – 8:30a-4:00p

You can email Teresa Alsept at <u>tialsept@seattleschools.org</u> if you have any questions about chaperoning.

Are you excited about chess? Eckstein Middle School is investigating whether there is sufficient interest in an active after school chess club open to students of varying skill levels. Emphasis will be placed on improving student performance in the game of chess, sportsmanship, fun, making new friends and occasional tournaments. If there is a sufficient number of interested students, the proposed chess club will meet in the Eckstein Cafeteria from 2:45 pm - 3:45 pm each Wednesday that school is in session, commencing October, 2019 and ending in April, 2020. Please be advised that there will be no supervision once the club ends each Wednesday and there will also be a program fee for student enrollment. Separate Scholastic chess tournaments are usually held on Saturdays within the Seattle metro area. Students can choose to participate in those tournaments that fit their schedule. Enthusiasts attend approximately 1 or 2 tournaments a month from Oct – Apr, but your level of participation is at your discretion. Interested? Email ecksteinchessclub@gmail.com

## **District News:**

The online data verification form will be available for Parents/Guardians at the start of school, from 9/4/19 to 9/30/19. Parents may only fill out this form once per school year per student. Source access is required. If they try to fill it out again, they will get an error message. If a second parent tries to get in to fill out a form for the same student, they will also get an error message.

<u>Formatting for All Student Usernames to Change for 2019-20:</u> To obtain the new username, all parents, guardians and students need to login to The Source. Once the old username has been entered, the new username will be provided to the student to complete their login process. The new username will be provided on The Source from August 13th through September 14th. All of the student portals/sites will reflect that they may obtain their new username from The Source. <u>After this date, the student will need to work with the Teacher or Librarian to obtain their new username</u>.

Password Change for incoming 5th and 6th Graders: New for the 2019-20 schoolyear and beyond, all incoming 5th graders will be required to change their password from the 4-digit format of MMDD to an 8-character password. For this schoolyear ONLY (2019-2020), all incoming 6th graders will also be required to change their password from the 4-digit format of MMDD to an 8-character password. For their first login they will use their full birthday: MMDDYYYY. After login, they will be immediately prompted to select a new minimum length 8-character password which they will use with their new username. The new password may have special characters with the only exception that the previous 10 passwords cannot be re-used. The purpose of this change will enable all 5th Graders to receive support from their homeroom teachers and will not impact the student in the 6th Grade.
