

Sean M Warren BSc

Seán is Managing Partner at The Moon on a Stick.

Throughout a 30-year career, Seán has worked in senior innovation positions in Marks & Spencer, Unilever, Mars and Boots Healthcare International.

At The Moon on a Stick (and previously at Pure Insight), Seán has worked with global organisations to help them embed sustainable innovation systems in their businesses by building best-in-class process, drawn from global benchmarking activities.

Seán has delivered this Innovation Management Training public course many times in the past and has worked with over 60 organisations privately, across multiple industries, delivering Front End Innovation, Gated Development and other Innovation Management Techniques.
