## **SANDY BERNSTEIN COMEDY**

**Always self-deprecating, often irreverent, and sometimes playful, Sandy will regale us with outrageous tales that run the gamut from inappropriate selfies to the absurdities of office life. Never taking herself too seriously, Sandy brings a quirky perspective to a wide array of topics that include aging, body image, self-esteem, weight loss, menopause, divorce, and familial dysfunction...all with a sprinkling of Jewish humor thrown in for good measure. She is the host and frequently performs at the "Give a Hoot Comedy Club" in La Mexicana Restaurant in Gaithersburg.**
