

## **North Berkshire COVID Vaccine Clinic**

If you need to register for a vaccine:

1. Visit [www.getvaccinatedberkshires.org](http://www.getvaccinatedberkshires.org) or [www.maimmunizations.org](http://www.maimmunizations.org)
2. Select blue box: Phase 1 & 2 Clinics
  - a. Pick your eligibility category and confirm you are eligible.
3. Schedule a Date
  - a. The website lists all the clinics available across the state.
    - i. Search by date
    - ii. Search by location by address or use the map feature
4. Complete all pages on the registration process!
  - a. Scroll to the bottom of each page to save and continue.
  - b. Select a time. Scroll to the bottom to save and continue!
5. If you select or are on the Waitlist, you will ONLY receive an email or call if you are moved to the active appointments for the clinic.
6. You MUST receive an email confirmation for your appointment to be confirmed!! If you did not receive this confirmation, you do not have an appointment.
7. You do not need to line up or arrive early for your appointment. If your name is on the list, you are getting vaccinated that day.
  - a. Come at your appointment time.
  - b. Bring some form of identification
  - c. Please wear short sleeves or something that is easy to access your upper arm.
8. You will receive an email with a private link to register for your second appointment. Please do not share this link! Your space for a second dose has been reserved to complete the vaccination process.

If you have issues with scheduling, assistance is available!
