

## **Pasadena Senior Center Protocol for Entry**

All Staff, PSC members and PSC guests are subject to temperature screening at the door before entry (refusal of screening will result in denial of entry to the facility). Temperatures of 100 will require waiting five minutes to see if high temperature is due to weather. Upon immediate entry guests are required to use hand sanitizer placed at the entrance.

Limited Occupancy will be permitted in the library, gym, and computer room. This will allow for social distancing. Each room is to be sanitized after each use.

**Library:** Open for purchase of books and puzzles only.

**Fitness Center:** Open for use with a limit of two Persons per 1-hour available block. Signups are on a first come first served bases. All equipment and major touch points will be sanitized after each use by maintenance allowing half hour in between each session. A short health questionnaire will be required at each sign up before the appointment is confirmed. Fans will be removed from the gym in order to prevent spreading of droplets as recommended by the City of Pasadena Health Dept.

**Computer Lab:** Open for use of 2-hours max with signup sheets. Sanitation at the end of each use to be done by maintenance.

Time limits are being monitored at the front desk at the time of entry. Welcome Desk will have signup sheets and timer for each specific persons use.

Any person reported coughing is subject to a short health-screening questionnaire.

- ★ **Social distancing (unless accompanied by someone of the same household) and facemasks are required at all times.**
- ★ **Failure to follow these guidelines will result in a warning.**
- ★ **If repeated warnings occur, you will be asked to leave the facility.**

These guidelines are subject to change as we follow direction from Los Angeles County and the City of Pasadena.
