9. Base Construction Program FY 20/21 – Advanced Procurement Notice 20/21 #Wainwright

Closing Date: 2021/03/31 02:00:00 PM MDT

Purpose of this Advance Procurement Notice: This is not a bid solicitation. This is an advance notice of potential projects with anticipated security requirements to provide interested consultants and contractors an opportunity to apply for security clearances. Note that there is no guarantee that these projects will proceed.

Description of the Program: The Construction Program will consist of multi-trade and single trade construction projects of varying sizes and complexity. The program may include, but is not limited to new construction, repairs, renovations, and maintenance of Department of National Defence (DND) infrastructure in support of Canadian Forces Operations.

Technical services supporting the program may also include, but not limited to land surveying, materials testing, geological and environmental studies, and architectural and engineering design services.

Additional services to support the infrastructure of the base may also include, but not limited to facility maintenance services, such as janitorial, pest control, landscaping, snow removal etc.

Overall program value is estimated at \$15,000,000.00, with the maximum value of any individual project at \$5,000,000.00.

Any questions relating to the Base Program can be addressed to: Angela Dang, Coordinator, Contract Services Defence Construction Canada at angela.dang@dcc-cdc.gc.ca
