4. Transition to Employment Services Rural North

Closing Date: 2019/05/10 2:00PM Local Time

The purpose of this Request for Proposals (RFP) is to identify and select the most qualified Proponents to provide Transition to Employment Services to assist a wide range of unemployed, Employment Insurance (EI) eligible Albertans to obtain and maintain employment.

Transition to Employment Services provide comprehensive and individualized services that enable individuals to acquire workplace and occupation related skills that will facilitate their rapid attachment or re-attachment to the labour market. Services are designed to provide a variety of work-directed services which will lead to full time, paid employment.

Eligible clients will develop strategies to support their career transition and obtain an understanding of transferability of skills from one sector to another. Clients may include Albertans needing career change support, short term retraining and workforce adjustment. Clients will have access to the available services and interventions as needed, which may include individualized and group service deliver, or an appropriate combination thereof.

The Proponent is expected to define groups that need these services based on their research within the Lloydminster, Vermilion, Wainwright, Vegreville, Hinton, Edson and Jasper service areas, as well as any other rural communities in the North Region (defined as any community north of Yellowhead Highway 16) identified by the proponent.

It is anticipated that one or more contracts may result from this RFP. The expected start dates may vary; however, the summer of 2019 will be the target time period. The Ministry will make decisions based on the needs of the community and availability of other services. The exact start dates will be negotiated with the successful proponents.
