1. Base Construction Program FY 20/21 – Advanced Procurement Notice 20/21 #Wainwright

Closing Date: 2021/03/31 02:00:00 PM MDT

Purpose of this Advance Procurement Notice: This is not a bid solicitation. This is an advance notice of potential projects with anticipated security requirements to provide interested consultants and contractors an opportunity to apply for security clearances. Note that there is no guarantee that these projects will proceed.

Description of the Program: The Construction Program will consist of multi-trade and single trade construction projects of varying sizes and complexity. The program may include, but is not limited to new construction, repairs, renovations, and maintenance of Department of National Defence (DND) infrastructure in support of Canadian Forces Operations.

Technical services supporting the program may also include, but not limited to land surveying, materials testing, geological and environmental studies, and architectural and engineering design services.

Additional services to support the infrastructure of the base may also include, but not limited to facility maintenance services, such as janitorial, pest control, landscaping, snow removal etc.

Overall program value is estimated at \$15,000,000.00, with the maximum value of any individual project at \$5,000,000.00.

Any questions relating to the Base Program can be addressed to: Angela Dang, Coordinator, Contract Services Defence Construction Canada at angela.dang@dcc-cdc.gc.ca

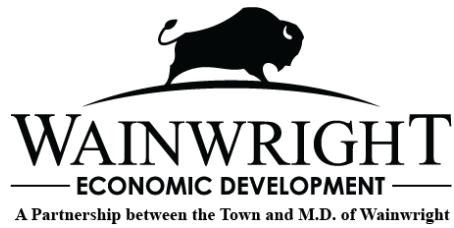

2. John Deere Tractor Parts; Denwood, AB (W168A-20MK15/A)

6. Miscellaneous Food – CFB Wainwright (W168E-20FS03/A)

Closing Date: 2021/04/15 03:00:00 PM EDT

Suppliers should review the entire solicitation document to ensure they understand what is required with their offer submission.

1. Public Works and Government Services Canada (PWGSC), Western Region, on behalf of Department of National Defence, has a requirement for Regional Individual Standing Offers (RISO's) for the supply, delivery and offloading of Miscellaneous Groceries on an as and when requested basis to CFB Wainwright, in Denwood Alberta for the period of the Standing Offer.
2. The period of the Standing Offers will be for six months, Period A from June 1, 2021 to November 30, 2021 and Period B December 1, 2021 to May 31, 2022, with applicable refresh and rebid periods as indicated in Annex A and Annex B of this document.
3. There will be one Standing Offer awarded per commodity, if one supplier is successful in more than one commodity, then the commodities will be combined for that supplier.

Otherwise, there will be up to four standing Offers issued for this requirement for each six month period.

Contact Contracting Authority Rina Marsland at 306.241.5742 or rina.marsland@pwgsc-tpsgc.gc.ca for more information.

7. Request for Qualifications – General Construction QRT Source list for Wainwright (WR21SL01_CN74971)

Closing Date: 2021/04/22 02:00:00 PM MDT

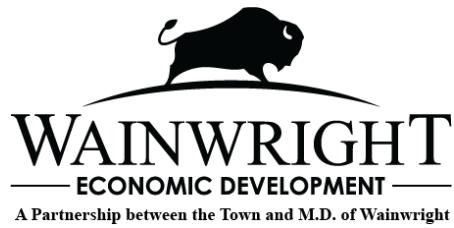

Defence Construction Canada is calling for Request for Qualifications from local contractors to become pre-qualified to be on a Source list for Quick Response Tenders (QRT) / Urgent Response Tenders (URT) for work required by the Department of National Defence, at 3CDSB Wainwright for a period of 3 years from the date of establishment.

Prequalification will be for the following category of service(s):

- 1) General Contractor and Multi-Trade.

DCC may utilize QRT's and URT's for projects ranging in value up to \$300,000.00.

Contact Contracting Authority Kara-Lea Lafosse at 780.842.1363 ext. 1501 or Kara-Lea.Lafosse@dcc-cdc.gc.ca for more information.

8. WESM – RFI/LOI (W8476-216429/A)

Closing Date: 2021/12/31 02:00:00 PM EST

Public Services and Procurement Canada (PSPC) is requesting industry feedback regarding the Weapon Effects Simulation Modernization (WESM) procurement on behalf of the Department of National Defence.

Annex A Questions to Industry is attached to this RFI. Industry is requested to review these questions and provide answers to the PSPC Contracting Authority identified under Article 5 Contracting Authority on or before May 10, 2021.

In light of the current COVID-19 pandemic, and its impact on government operations and those of industry, please inform the Contracting Authority if you intend to submit your responses to the Annex A questions after Canada's requested response date.

Please note that the published RFI closing date is not the deadline for comments or input.

2. Background Information:

The WESM project will modernize the Canadian Army (CA) WES training system to enable individual and collective training in order to deliver combat effective CA units and formations.

The WES capability was acquired by the CA to address the deficiency in simulating realistic weapon effects during force-on-force field training exercises. The WES system provides soldiers the opportunity to train in the way that they would fight, utilizing actual weapons and vehicle platforms as they would be used in theatre and on deployments.

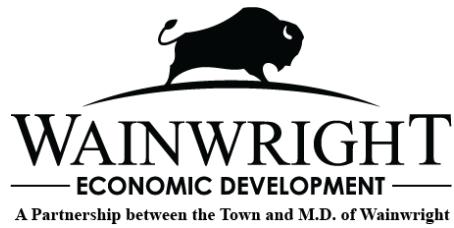

This capability provides data and products for effective after-action reviews to enhance the commanders' ability to train and evaluate the readiness of their troops in both an urban and rural training environment. There are four (4) instrumented static sites (with fixed exercise control center) located in Wainwright, Alberta, Gagetown, New Brunswick,

Petawawa, Ontario and Valcartier, Quebec in addition to a mobile capability which can be used anywhere within Canada, and two (2) non-instrumented sites, one located in Edmonton, Alberta and the other in Shilo, Manitoba. The intent of this project is to modernize the existing WES capability potentially addressing: equipment obsolescence; updated operational requirements; and advancements in technology and international standards (such as those being developed under UCATT). The intent of this RFI is to seek information from industry; thereby allowing the Government of Canada to better define the options for the modernization of the Canadian WES System.

3. Schedule:

Canada is finalizing the procurement schedule which will be communicated under a future RFI amendment.

Contact Contracting Authority Sandra Derby at 873.355.4982 or sandra.derby@tpsgc-pwgsc.gc.ca for more information.

9. Town of Wainwright Notice of Intent RMA Buying Group Participation (2021-00)

Closing Date: 2022/01/01 01:59:00 AM EST

The Town of Wainwright intends to participate in one or more procurements conducted by the Rural Municipalities of Alberta during the 2021 calendar year. The town may purchase construction, equipment or capital purchases through RMA.
