Closing Date: 2027/03/31 02:00:00 PM MDT

The purpose of this APN is to allow contractors and consultants to assess their capacity and interest in participating, and to prepare adequately for potential solicitation processes, notably by initiating any necessary steps. This is a preliminary notice regarding potential contracts, which may or may not include security requirements. The purpose of this APN is to allow interested contractors and consultants to initiate, if required, the sponsorship process to obtain the necessary clearances or security clearances (if applicable).

Description of the Projects and Services
Future contracts will be subject to separate tendering or request for proposals processes and awarded through various procurement mechanisms and tools made available to DCC.

- Open competitive tenders or requests for proposals advertised on MERX, and CanadaBuys if they are subject to one of Canada's trade agreements and their estimated value is equal to or above the agreement's dollar thresholds.
- Open Construction Source List (OCSL) – By invitation only to the members of the OCSL. The OCSL for CFB Wainwright, Alberta is currently open on MERX and interested contractors are welcomed to apply.

For more information on these opportunities please visit www.merx.com and www.buyandsell.gc.ca/tenders

While every effort is made to ensure the currency, accuracy and completeness of the information provided in response to your request, The Town of Wainwright (Wainwright Economic Development) is not liable for any loss, claim or demand arising directly or indirectly from any use or reliance upon the information provided.

Search for OCSL No. WO26SLWR_85990 Open Construction Source List for CFB Wainwright on MERX and follow the instructions to apply. IMPORTANT: A MERX account is required to apply.

- Source lists (SL) – Typically used for professional services such as A&E or environmental. A source list may be local, regional, or national. Each SL is put in place via an open competitive process, advertised on MERX, and CanadaBuys where applicable. Members of the SL are then approached based on the criteria provided in the RFP to submit a proposal based on a provided Statement of Work (SOW). For most SL, the contracts are negotiated one-on-one.
- Standing Offer Agreement (SOA) and Standing Offer (SO) – Used for any type of services or construction and generally put in place with one of two suppliers. These tools may be local, regional, or national. Each tool is put in place via an open competitive process, advertised on MERX, and CanadaBuys where applicable or by invitation from an OCSL.
