Foster/Adoptive Family

Wes and Sandy Bingaman

Wes and Sandy Bingaman currently reside in Sunbury, Pa. Their home is in the Shikellamy School District. Their address is 211 Bassett Road, Sunbury, Pa. Wes and Sandy have been long standing foster parents. The Bingaman's began foster parenting in 2004 and have shown a strong commitment to provide a safe and secure environment for the children they have fostered. The couple is proud of the fact that they have been able to have many of their foster children in the home for five years, and not only meet their basic needs but encourage them to be productive members of society. Mr. Bingaman is a truck driver who spends a lot of time away from home. In his absence, Sandy keeps the home running and is able to provide nutritious home cooked meals, including baked goods. Prior to transitioning to Adelphoi from Laurel Youth Services, the family completed extensive training on Autism Spectrum disorders. This was provided to the family due to placement of children with these disorders in their home. Despite their familiarity with these disorders, they prefer teenaged boys ages twelve to eighteen. The home environment is clean and friendly. The basement of the home is well equipped with exercise equipment, video game systems, and television. In the summer, the family has an above ground pool and basketball court available for use, as well as a large yard.
