

## 2024 Family Reunion Survey Comments

There was a lot of confusion with the group meals. Better to have organized method with payment sent ahead, although frustrating. \* Keeping seniors out of the heat was great \* You've expressed the need to keep the youth involved. 1) recommend going back to a committee style that allows them to help with planning, rather than a committee of 2. They will have to own one day; start transition. 2) NOLA was a hit. Why now Detroit? Preferred when we voted as a group. Should be family decision.

I hope there are more offerings for children and more organized events. I would love to attend a banquet or gala!

Everything was great! Excited to see payment processes optimized for 2026 Reunion.

Everything was descent n in order just beautiful 🌍

Wonderful time!!!

To GOD be the Glory!!!! What a beautiful and wonderful week!!!! Thank you, you are a special woman of GOD!!!

I would like to know the pricing of meals in advance. I would suggest paying in advance if you plan on attending, and if someone doesn't reply they shouldn't attend that event.

Improve on communication and activities as family.

It was such a joy to see my family. I have pictures and priceless memories that I will cherish forever ♡ Thanks to each of you that played a part in the family reunion. Blessings. Love, Charles & Stephanie

Great job planning and executing the family reunion! We can't wait to attend in 2026.

Great, just GREAT!!!!

Good job 🙌

The planning committee served us in LOVE! Blessings looking forward to seeing you all in Detroit.

Very good and well planned!!!

Very well organized. Accommodations were nice. Fantastic!

Very good job

It was a great experience thank to the ones that put it together.

Some of the family members wanted a banquet. I'm very neutral about the banquet. If there is a decision on whether it will be a banquet in Detroit, I'm with the majority.

Need to consider large group when going out to eat. May do something like Central City BBQ rather than Mambo style dining. Consider restaurants with gluten free and vegetarian options. Like that activities were planned for indoors rather than outside, weather was then not an issue. Transportation is definitely a must as rental cars are expensive and family members don't rent them. Likes having options for sightseeing, etc.

The communication was not accurate at the venues.

Great event and the organizers were wonderful. The DJ was awesome! I would suggest that we combine events. For example at one of the meals we should hold the meeting while we have critical mass. Not everyone attended the evening events and I am sure they missed info.
