I-95 SOUTHBOUND AT LINTON BOULEVARD TO UNDERGO FULL NIGHTLY CLOSURE JUNE 26-29

I-95 southbound lanes at Linton Boulevard will be closed to traffic overnight Monday night, June 26 through Thursday night, June 29 for roadway work and a traffic shift to final configuration. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Linton Boulevard, Congress Avenue and Peninsula Corp Drive. FHP will be on site to assist motorists. Wednesday, July 5 and Thursday, July 6 will be used as contingency nights if needed.

95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Congress Avenue. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
