

# Regional Grant Information Sessions

Florida Department of Transportation (FDOT) encourages eligible local agencies to apply for the many new discretionary grant opportunities created through the Bipartisan Infrastructure Law (BIL). As such, FDOT wants to ensure our local partners are prepared with the knowledge, data, and resources to apply for and be direct recipients of federal discretionary dollars.

Information sessions to cover:

- *Overview of the USDOT grant opportunities*
- *Regional improvements – working together*
- *What do you need to know – grant applications and implementation*
- *Collaborative discussions with FDOT District staff*
