I-95 NB ENTRANCE RAMP FROM EB SR-808/GLADES ROAD TO UNDERGO FULL CLOSURE, OCT. 7 –10

As part of the new Diverging Diamond Interchange (DDI) design coming to the SR-808/Glades Road and SR-9/I-95 interchange, the SR-9/I-95 northbound entrance ramp from eastbound SR-808/Glades Road will be closed around-the-clock for roadway and ramp tie-in construction activities beginning 11 p.m., Friday night, Oct. 7 through 5 a.m., Monday morning, Oct. 10. During this closure, motorists will be detoured via eastbound SR-808/Glades Road, US-1/ N. Federal Highway and SR-794/Yamato Road. FHP will be on site to assist motorists.

95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
