

Town of Ocean Ridge Water Main Improvements

WORK EXPECTED TO BEGIN MONDAY, JULY 27, 2026

Water main improvements will be performed on State Road (S.R.) A1A/Jimmy Buffett Memorial Highway, from just south of Corrine Street to just north of the S.R. 804/Ocean Avenue intersection, in the Town of Ocean Ridge. These operations will enhance water flow and fire protection by both replacing and adding new fire hydrants to the west side of the roadway. Construction will be facilitated by Johnson-Davis, Inc., under Project Manager Cesar Carrillo.

Beginning Monday, July, 27, 2026, work can be expected from 8 a.m. until 5:30 p.m., Monday through Friday, through late 2026. Saturday work may be approved as needed.

ANTICIPATED DURING CONSTRUCTION

- ✓ Daily Lane Closures & Local Detours on Side Streets
- ✓ Temporary Signal System to Alternate Traffic on S.R. A1A
- ✓ Work Performed in Phases to Minimize Impacts
- ✓ Pedestrian and Driveway Access Maintained

PROJECT UPDATES ONGOING

The limits for the first phase of construction and the temporary traffic signal system will be confirmed prior to the start date. Frequent status updates will be provided from the construction project team and accessible via the Town of Ocean Ridge website at www.oceanridge.gov.
