## Take Care of Yourself

*While caring for an adult with special needs*

Powerful Tools  
FOR **Caregivers**

teaches strategies for taking better care of yourself while you are caring for an adult (17+ years old) with special health or behavior needs. This six week long workshop will help you:

- Reduce stress
- Improve self-confidence
- Communicate feelings better
- Increase their ability to make tough decisions
- Deal with anger, guilt, & depression
- Locate helpful resources

Class meets for 2 hours once a week, for 6 weeks.

*We never stop being parents. Like parenting, caregiving is easier when you're better prepared to face the challenges that arise.*
