

*Down Syndrome & Alzheimer's Disease:*

# An Evening to Learn & Connect

**Date:** Wednesday, January 25, 2017

**Time:** 5:45 – 7:15 pm

**Location:** ASPIRO

1673 Dousman St. Green Bay

Please join the Brown County Dementia Friendly Coalition's Down Syndrome & Alzheimer's committee for an informative evening to learn more about Down syndrome and Alzheimer's disease.

Dr. Tracy Sherman, Prevea Memory Assessment Clinic, will discuss the risk of developing Alzheimer's when you have Down syndrome, the importance of getting an early baseline, how to get a diagnosis, and medical & non-medical treatment.

Learn more about statewide and local efforts to help support people with Down syndrome and Alzheimer's disease, their family members, and caregivers.
