Associate Membership Activation

**Does your company have fewer than 10 employees?
Are you a member of your local chamber?**

The Kentucky Chamber of Commerce has developed an associate membership for local chamber members who have fewer than 10 employees.

The associate membership is a free online membership that includes subscriptions to e-newsletters and legislative action alerts.

Membership is critical. Join today!

To maximize our value to your organization, complete and return the following information. Your response will enable us to activate your company's official membership file. The Kentucky Chamber will use this data for official purposes only.
