### \*OPENING PRAYER

**God of love, in this time of worship, help us to hear you claim us as your own as you call us beloved; help us claim our own identity as precious and honored, even in the face of voices that tell us differently. As we remember our baptisms this day, remind us who we are and whose we are. Strengthen us to do your work in this world, transforming our fragmented communities into your Beloved Community—which Jesus preached and lived. Amen.**

### HEBREW SCRIPTURE

Isaiah 43:1-2, 3a, 4a (NRSV)

<sup>1</sup>But now thus says the Lord, he who created you, O Jacob, he who formed you, O Israel: Do not fear, for I have redeemed you; I have called you by name, you are mine. <sup>2</sup>When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you. <sup>3a</sup>For I am the Lord your God, the Holy One of Israel, your Savior....<sup>4a</sup>...you are precious in my sight, and honored, and I love you..."

## **GOSPEL LESSON**

Matthew 3:13-17 (NRSV)

<sup>13</sup>Then Jesus came from Galilee to John at the Jordan, to be baptized by him. <sup>14</sup>John would have prevented him, saying, "I need to be baptized by you, and do you come to me?" <sup>15</sup>But Jesus answered him, "Let it be so now; for it is proper for us in this way to fulfill all righteousness." Then he consented. <sup>16</sup>And when Jesus had been baptized, just as he came up from the water, suddenly the heavens were opened to him and he saw the Spirit of God descending like a dove and alighting on him. <sup>17</sup>And a voice from heaven said, "This is my Son, the Beloved, with whom I am well pleased."

## **GIVING OF OUR TITHES AND OFFERINGS**

**\*CLOSING PRAYER** (responsive)

**God of water and spirit, it is hard to hear your voice calling us beloved amid the cacophony of voices around us that tell us we are worthless. Even when we hear your voice, it is hard to believe the depth of your love for us amid the messages of the world that tell us we are far from precious.**

*Open our ears, Beloved One, to hear your voice. Open our eyes to see your amazing presence in this world. Help us feel your strength filling us and empowering us to be and do what you call us to be and do.*

First Sunday after the Epiphany

## **New proposal plots course for UMC separation**

A diverse group of representatives from United Methodist advocacy groups with contrasting views and bishops from around the world has collaborated on a proposed agreement for the separation of The United Methodist Church (UMC) that has the unanimous support of all the parties involved.

The agreement, the Protocol of Reconciliation & Grace Through Separation, was achieved on December 17, 2019 and announced January 3, 2020.

The action comes amid heightened tensions in the church over conflicting views related to human sexuality after the 2019 Special Session of the General Conference failed to resolve differences among church members.

Legislation to implement the Protocol statement – an eight-page document detailing the terms of a split of the 13+ million-member denomination – is expected to come before the United Methodist General Conference for a vote at their legislative meeting in Minneapolis, Minn. in May 2020.

The 16-member group came together as an outgrowth of a consultation initiated by bishops from Central Conferences located outside the United States.

The parties sought assistance from prominent attorney Kenneth Feinberg, who specializes in mediation and alternative dispute resolution. Feinberg, who served as Special Master of the September 11th Victim Compensation Fund and administrator of the BP Deepwater Horizon Disaster Victim Compensation Fund along with a number of other complex matters, agreed to provide his services pro bono.

Meeting over several months, the unofficial group reached an agreement by signatories associated with all of the constituencies within the UMC for a mutually supported pathway for separation, bridging differences among other plans to be considered by the General Conference.

“The undersigned propose restructuring The United Methodist Church by separation as the best means to resolve our differences, allowing each part of the Church to remain true to its theological understanding, while recognizing the dignity, equality, integrity, and respect of every person,” says the protocol statement.

The document’s signers include representatives from Europe, Africa, the Philippines, and the United States, and include persons representing UMCNext; Mainstream UMC; Uniting Methodists; The Confessing Movement; Good News; The Institute on Religion & Democracy; the Wesleyan Covenant Association; Affirmation; Methodist Federation for Social Action; Reconciling Ministries Network; and the United Methodist Queer Clergy Caucus; as well as bishops from the United States and across the world.

The representatives have pledged to work together to support the proposal and develop legislation to implement it.

The Protocol anticipates formation of a new traditionalist Methodist denomination. Once formed, it would receive \$25 million over the next four years and give up further claim to the UMC's assets. An additional \$2 million would be allocated for potential additional new Methodist denominations which may emerge from separation. Acknowledging the historical role of the Methodist movement in systematic racial violence, exploitation and discrimination, the Protocol would allocate \$39 million to ensure there is no disruption in supporting ministries for communities historically marginalized by racism.

Under the protocol, conferences and local congregations could vote to separate from The United Methodist Church to affiliate with new Methodist denominations created under the agreement within a certain time frame. Churches wishing to stay within the UMC would not be required to conduct a vote. Provisions exist for entities that choose to separate to retain their assets and liabilities. All current clergy and lay employees would keep their pensions regardless of the Methodist denomination with which they affiliate. All administrative or judicial processes addressing restrictions in the UM Book of Discipline related to self-avowed practicing homosexuals or same-sex weddings as well as actions to close churches would be held in abeyance until the separation is completed. The protocol also references a plan which calls for a special general conference of the post-separation United Methodist Church. The purpose of the Special Session would be to create regional conferences, remove the current prohibitions against LGBTQ persons, and to repeal the Traditional Plan.

Speaking on behalf of the group, Bishop John Yambasu (Sierra Leone) said, "All of us are servants of the church and realize that we are not the primary decision makers on these matters. Instead, we humbly offer to the delegates of the 2020 General Conference the work which we have accomplished in the hopes that it will help heal the harms and conflicts within the body of Christ and free us to be more effective witnesses to God's Kingdom." (**Additional resources at <https://vaumc.org/SeparationAgreement>**).
