When the world gives us **Uncertainty**, figure out a way to be **Certain**. Supporting loved ones during these challenging times is extremely important. This webinar will provide valuable information regarding:

- Understanding and addressing the unique issues associated with the current pandemic, including social distancing, wearing masks, socializing, etc.
- Managing stress/anxiety as individuals return to school, adult programming, employment, and other community-based experiences.
- Addressing behavior issues during transition times.

**Time will be allotted for a brief Q & A**
