

Parkinson's Disease Repository

Researchers at Beth Israel Deaconess Medical Center are seeking people with Parkinson's disease or parkinsonism to be included in a research database.

If you decide to take part in the research study, you would complete surveys online and researchers would use this database to follow you over time and inform you about any relevant research opportunities.

Location of Research: This is a remote online study

The Principal Investigator is: Dr. David K. Simon

To take part in this research study or for more information, please contact:
pdresearch@bidmc.harvard.edu or 617-667-2351
