ASK THE EXPERTS WEBINAR

Gene and Cell Therapy Research for Parkinson's Disease

Monday, June 22nd, 2026
3:30-4:30pm
Zoom

Register Here
While the event is free, registration is required.

"Ask the Experts" is an ongoing speaker series hosted by the Center of Excellence at BIDMC. This event is open to all members of the Parkinson's community and beyond, including people living with Parkinson's, care partners, family members, healthcare providers, and anyone interested in PD educational opportunities.

The presentation will be followed by a live Q&A session with the audience. For those unable to attend live on Zoom, the lecture will be recorded and shared afterward.

Stay up to date on Ask the Experts and similar events by joining our mailing list.
