

Department of Dermatology

Clinical Trials

The Dermatology Department at BIDMC is actively recruiting for phase 2 and 3 clinical trials in atopic dermatitis, hidradenitis suppurativa, and keloids/hypertrophic scars. A complete list of studies can be found here:

<https://research.bidmc.harvard.edu/research/clinicaltrials.asp?Submit=Medical&ProgramName=Dermatology>

For any patient referrals or questions, please reach out to Dr. Martina Porter at mporter3@bidmc.harvard.edu
