

Department of Radiology

New Chief Administrative Officer

Erin Stewart, MBA

May 2023 | Radiology Chief Administrative Officer

Erin has joined our department as Chief Administrative Officer following Donna Hallett's retirement from the role. Erin has more than 15 years of in-depth healthcare management experience working in complex academic medical centers. Most recently, Erin worked at Mass General Hospital as Senior Administrative Director of Gastroenterology, where she was responsible for the overall administration of the MGH GI Division, including the effective operations of all clinical, research, financial, and academic services. She also brings experience with research support, Harvard Medical School compliance, philanthropy, and the oversight of a large and successful academic program. Erin holds an MBA with a focus on Health Sector Management from Boston University's Questrom School of Business.

Awards, Honors & Leadership Updates

Yu-Ming Chang, MD, PhD, has been appointed our next **Neuroradiology Section Chief**. In this role, Yu-Ming will continue to drive the division's research, education, and clinical missions, as well as advance the careers of our 12 full- and part-time faculty members and five fellows. Yu-Ming will collaborate closely with BIDMC clinical and research departments, including our MR Research Program, the Departments of Neurology and Neurosurgery, and BIDMC's new translational research hub.

Jenny Cutts, MD, MBA, FACR, has accepted the inaugural role of **Physician Director of Finance for HMFP Radiology**. This is in addition to Jenny continuing her excellent work as Program Director of our Diagnostic Radiology Residency. In this new role, Jenny will work closely with Erin Stewart, MBA, our Chief Administrative Officer, and Ij Nwankwo, MBA, our Director of Radiology Business and Finance, as their physician counterpart.

Marty Smith, MD, has been appointed our next **Radiology Clinical Director of MRI**. In this role, Marty will report to the BIDMC Chief Medical Officer and Dr. Kruskal, and collaborate closely with our vice chairs, operations director, and chief administrative officer to advance our clinical operations, education, and research missions. As MRI Director, he will help us expand our clinical and research collaborations with his demonstrated ability to build cohesive clinical teams and research programs.

Department of Radiology

Awards, Honors & Leadership Updates

Dr. Jeff Weinstein has been **appointed Interim Vice Chair for Education**. Dr. Weinstein is a grant-funded and published Assistant Professor of Radiology in the Teaching and Educational Leadership Track and brings enthusiasm and energy to all that he does. In addition to serving as Program Director for our highly ranked and competitive IR residency program, he is a member of our BIH Radiology Foundation and is widely recognized as being a superbly skilled interventionalist
