BIDMC Parkinson's Disease and Movement Disorders Center

You're Invited to Learn about Deep Brain Stimulation!

Please join us for an informal meeting to learn about Deep Brain Stimulation (DBS) from the BIDMC Ambassadors who have recently gone through the evaluation process and the surgery, as well as the DBS team.

This virtual meeting is open to anyone who is interested in learning more about Deep Brain Stimulation as a treatment for Movement Disorders, including Parkinson's disease, Essential Tremor, and Dystonia.

Friday, November 14th, 2025
2:00 - 3:30 p.m.

This event will take place virtually on Zoom. *You must have a valid email address to register.*

BIDMC DBS Team Presenters:

Shabbir Merchant, MD
Movement Disorders Neurologist
Beth Israel Deaconess Medical Center

Joshua Aronson, MD
Attending Neurosurgeon and
Director of Epilepsy Surgery,
Division of Neurosurgery, BIDMC
