

College and Career Center

Visit the College and Career Center to research post-high school career, education, and scholarship opportunities.

- To keep in line with CDC regulations a limited number of students will be allowed into the College and Career Center at any given time.
 - Seniors may choose appointment times during the school day as long as the time slot is not during a core class.
 - If the meeting will be interrupting a class, you must have teacher approval.
 - All other grade levels must schedule for after school hours.
- To schedule either a phone conference or a virtual appointment visit: mharmon.youcanbook.me
- Ms. Nicole Gurley is the College Transition Counselor assigned to Lake Nona High School. She is able to help with college planning questions as well as dual enrollment questions. To schedule an appointment with Ms. Gurley visit: NicoleGurley.youcanbook.me

Check your grade level Google Classroom page for scholarship information and other helpful information that will help you plan and prepare for college, career or the military after high school.

SENIORS (12th) Google Classroom Codes: m5makn6
