

LNHS Clinic Information

The clinic at LNHS is staffed by a full time Registered Nurse. Clinic hours are from 7:00 - 2:30pm. Parents are required to complete the *Emergency Information Form* each year and provide current working phone numbers for all listed contacts. Chronic medical conditions such as, but not limited to, asthma, diabetes, or life-threatening allergies should be discussed at the beginning of the school year with the school nurse.

OCPS Medication Procedures:

FOR SAFETY AND SECURITY, STUDENTS ARE NOT PERMITTED TO BRING MEDICATIONS TO SCHOOL. (INCLUDING OVER THE COUNTER AND PRESCRIPTION MEDICATIONS)

- ☐ Due to COVID-19, appointments must be made before visiting the Clinic.
- ☐ PARENTS must bring the medication to school and complete the authorization form.
- ☐ If a student needs to take medication during the school day, the following procedures **must** be followed:
 - **All** medication must be administered by the school nurse or designated trained person.
 - Whenever possible, medication should be taken at home.
 - Prescription medications must be in the original pharmacy labeled container.
 - Parents can ask their pharmacist to provide them with two containers: one for school and one for home.
 - Medications including eye drops cannot be transferred to and from school.
 - Over the counter medications (Tylenol, Motrin, Midol for example) will only be accepted in the original factory sealed container.
 - Inhalers, diabetic supplies, and Epi-pens may be carried by the student, provided the proper authorization forms are on file with the school. These forms require physician's signature and are available from the school nurse.

To set up an appointment, contact by phone (407)-956-8317 or by email at kelly.coughenour@ocps.net.

Thank you for your cooperation and I look forward to a happy and healthy school year!

Ms. Kelly Coughenour, RN
