## Fellowship

Join together to serve our community.

## Hospitality

Bring the community together to eat food, listen to live music, shop at the artisan fair, enjoy children's activities, and have fun.

## Outreach

Raise money for 2 amazing nonprofits: First Stop, Inc. and Honduras Medical Mission.

November 11, 2023

10am-6pm

All of the proceeds raised from Lobsterfest are split between these two organizations:

First Stop, Inc. is a local nonprofit that encounters the homeless where they are, connects them to critical services and support, and empowers them toward independent, sustainable living. St. Thomas supports this local organization through volunteer work and monetary donations.

Honduras Medical & Education Mission

The Honduras Medical Mission provides essential care to Hondurans year-round. They even provide educational help and resources, along with medical care! St. Thomas supports this organization throughout the year by dispatching doctors, dentists, and other professionals to serve in clinics in Honduras.
