Saint Stephen's Episcopal Church – Seeking a Nursery Director

Saint Stephen's Episcopal Church, an inclusive, dynamic, 2,000-member, mission-focused parish, is seeking to hire a Nursery Director to support our ministry with young children and families.

This position primarily works at the church on Sundays during worship services and when the nursery is open for a few special services and events throughout the year. The Director is also responsible for coordinating and scheduling the nursery staff. This planning can be done at the Director's own discretion. The Nursery Director ensures a safe, nurturing, and welcoming environment for infants and young children, partnering with parents, clergy, and staff to support families as an integral part of parish life.

The ideal candidate will be dependable, organized, and warm-hearted, with experience working with young children and supervising caregivers. A background check and adherence to church safety policies are required.

This is a part-time position with flexible weekday hours and a strong emphasis on Sunday leadership.

Saint Stephen's Episcopal Church is in the heart of Cahaba Heights at the intersection of Vestavia Hills and Mountain Brook, Alabama. Founded out of a trailer in 1973, focused on mission and outreach, Saint Stephen's has grown to one of the largest and most vibrant congregations in the Diocese of Alabama. Today, Saint Stephen's continues to be a beacon for the proclamation of the Gospel of Jesus Christ and for the building of community while focusing its sights continually on the needs of those outside her open doors and windows. While the church has a neighborhood feel, with a well-established preschool, our parishioners come from 38 zip codes in the greater Birmingham area.
