

CBICC Members,

My name is Greg Scott and I am excited to join the CBICC as the next President & CEO of this amazing and impactful membership organization!

After 30 years spent in mission-driven environments in the Navy and institutions of higher learning, I am thrilled to once again join a team with a pressing and relatable mission: improving the economy in Centre County. I have a passion for this community, my home and the home of my alma mater. It is with a great sense of responsibility that I step into this role, ready to put my experience to work for our community.

I look forward to working *with* you, *for* you, and to meeting you soon!
