

To help our local economies survive through these trying times, Seven Mountains Media has created www.saveyourtown.com. Our neighbors can do their part to help save our local businesses and also save money themselves.

Here's How it Works

- Saveyourtown.com is heavily promoted across all of our radio stations
- Listeners visit the website and search for gift certificates to local businesses (restaurant, retail, services etc)
- They save 25% on all certificates
- You receive a cash payout of 50% (\$25 for every \$50) of everyone of your certificates sold
- For every certificate sold, you also receive a \$25 advertising credit to use on any of our radio stations.

Your business will be promoted in the saveyourtown.com commercials. You could promote features such as drive-thru or delivery OR you could ask residents to support your business now and use the certificates once you reopen to the public.

This is an opportunity for you to promote your business while keeping cash coming in to your business.

Gift Certificates will have unique codes on the that you can mark off once they are redeemed. Visitors can print the certificate once purchased or have it emailed to them or as a gift.

Each is in \$50 increments.
