

Why Pizza Friday?

Pizza Friday means no lunch-packing for you *and* support for our Upper Elementary students as they prepare for the Montessori Model United Nations (MMUN) conference.

What is MMUN?

A cornerstone of the 4th–to 6th–grade curriculum, MMUN gives students the opportunity to step into the shoes of real United Nations ambassadors. Each student researches a member nation—its culture, government, and key issues—while also studying a pressing global challenge. At the 5-day New York City conference, they collaborate with peers from around the world to debate and draft solutions. Learn more about it at glenmontessori.org/what-is-mmun and montessori-mun.org.

Why Pizza?

Students are responsible for funding part of their trip, covering expenses such as bus and conference fees, hotel stays, and cultural experiences like Broadway shows, museums, and more. Pizza Fridays are the heart of this effort: a simple, delicious way for you to support their journey while taking a break from packing lunch.

Upper Elementary students outside the United Nations General Assembly in NYC—five students had just been elected by later took the podium to present their committee's work!
