

Why Pizza Friday?

Pizza Friday means no lunch-packing for you *and* support for our 4th–6th grade students as they prepare for the Montessori Model United Nations (MMUN) conference.

What is MMUN?

A cornerstone of The Glen's curriculum, Montessori Model United Nations (MMUN) gives students the opportunity to step into the role of real United Nations ambassadors. Each student researches a member nation—exploring its culture, government, and current challenges—while also investigating a pressing global issue. At the five-day conference in New York City, students collaborate with peers from around the world to debate ideas, negotiate solutions, and draft resolutions that address real-world challenges.

Why Pizza?

Students are responsible for funding part of their trip, covering expenses such as bus and conference fees, hotel stays, and cultural experiences like Broadway shows, museums, and more. Pizza Fridays are the heart of this effort: a simple, delicious way for you to support their journey while taking a break from packing lunch.

Upper Elementary students outside the United Nations in NYC—five students had just been elected by their peers to present their committee's work at the podium in the General Assembly.
