Title

Refreshing

Rain flows through the earth,
Elevating souls, by,
Flowing so beautifully.
Ready? who knows.
Everyone hears it's music,
Swirling and swishing,
hot or cold, everyone
Ignites through the soul,
Now everyone sees the,
Gentle flow of refreshing water lifting
the soul.

Ava Dunn
10 years old
4th grade
School: Banget Elementry School

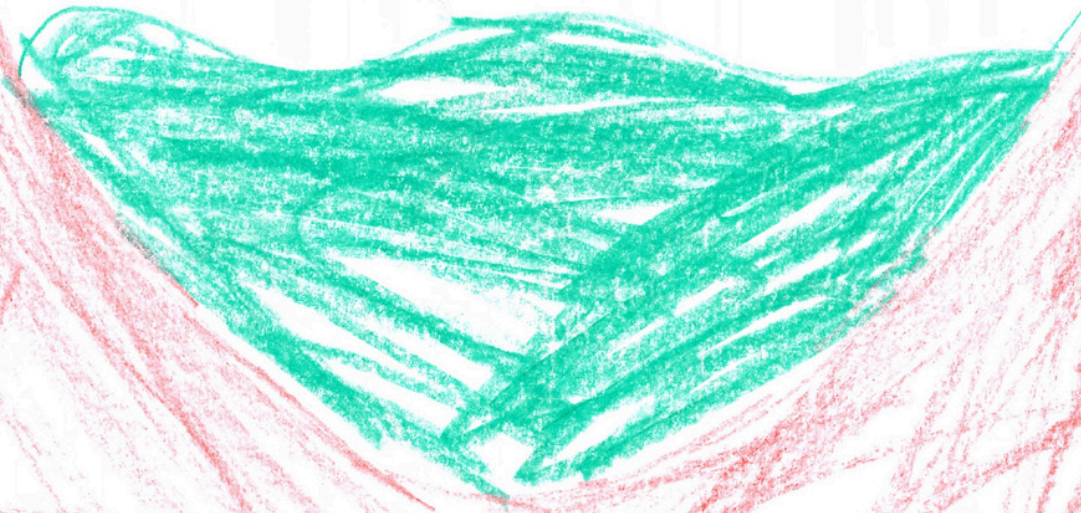

Bates Gibbs, 11, 5th, Parrott Academy, "My Water Story"

water flows

Brooks, W
4th 10
creekside
Elementary

The water flows
but it go's to lowe's
and find's some
clothes with his bro's

Waves swimming
through the rocks.
Algae needs water to
live. A big
Tuna running
through the waves.
The
Environment helps
the water live.
Rolling waves
running.

Hayes Gibbs 10
5th Parrott Water

W water wispers throu the trees

A Always moving over rocks

T The water runs all around the world

E Every Living thing runs by water

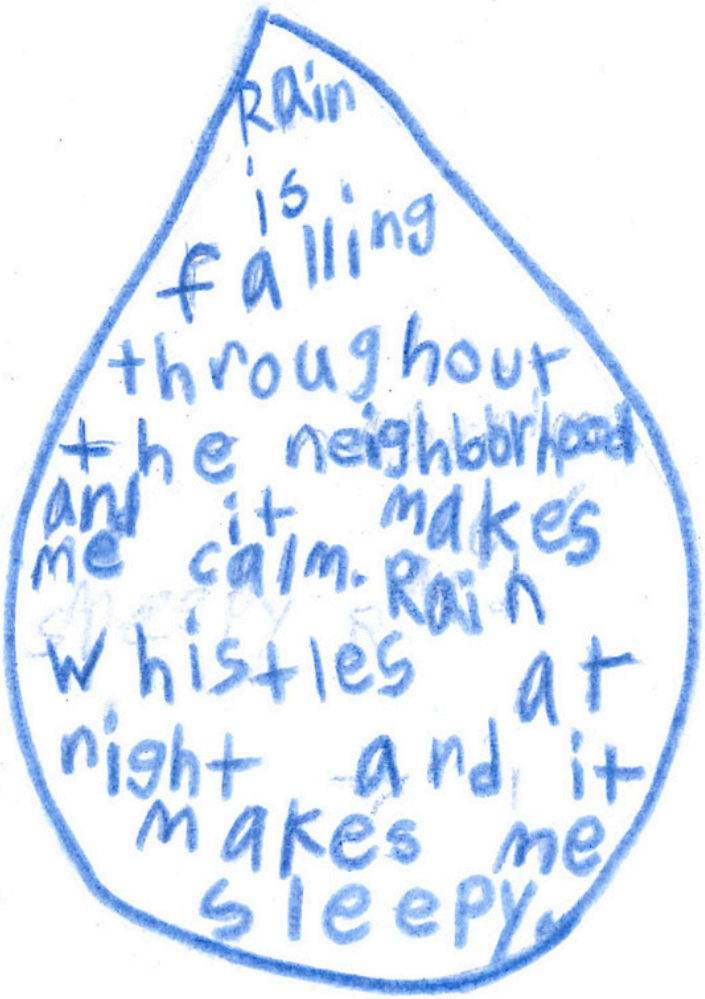

R Rain is also water and it gose tip tap tip tap on the driveway
