

**GBPC LEARNING SERIES PRESENTS:**  
**PLANNING WITH PURPOSE:  
PROTECTING YOUR FAMILY,  
FAITH AND FUTURE**

**PAMELA WALLACE**  
**KEYNOTE SPEAKER**

Pamela Wallace, from the firm of Angela Manz, will discuss long-term care planning, highlighting the important differences between proactive pre-planning and crisis-driven decisions. She will also cover key aspects of estate planning, including how wills and trusts work, as well as strategies for asset protection and preserving what you've worked hard to build. This session is designed to provide practical guidance and help individuals and families feel more prepared to make informed decisions before the need becomes urgent.

Come and learn about:

- Wills/trusts and the differences
- Guardianship of minor children or dependents
- POA (power of attorney) financial and medical
- Documents needed when one party is suffering from dementia
- Documents needed/suggested when a child goes off to college but is still a dependent/on your insurance
- Documents to allow access to another's medical records

**January 28, 6:15-7pm**  
**Following the WNL Dinner**  
**Everyone is welcome!**
