

Preschool Director
Congregation Beth Ami
Santa Rosa, CA
Full-time, Exempt

Summary

The Beth Ami Community Nursery School (BACNS) is a program of Congregation Beth Ami—a Synagogue affiliated with USCJ--located in Santa Rosa, CA. We welcome children of all faiths and backgrounds. There are currently 60 students registered in the Preschool program.

We seek an educator whose leadership skills will guide our Jewish Preschool. Our Preschool provides the young child with a learning environment rich in Jewish content. We emphasize an interactive learning process, where children learn in play-based settings. Our emergent curriculum is inspired by the *Reggio Emilia* philosophy where children can pretend, practice and explore to foster inquisitiveness and discover the world around them.

We believe that each child is a unique person who possesses an individual pattern of timing for their own growth and development. We accept and respect each child's differing levels of ability, development, and learning style, and we design our curriculum to reflect these differing abilities.
