FIT-2-SERVE NEWSLETTER

April 2024

Volunteer Appreciation

We are so thankful for all of our EIU volunteers. We had two Sorority and Fraternity groups full of hard workers that helped us transform our garden this month.

Thank you Boy Scouts!

The local Boy Scout troop helped assemble our new shed at the Bill Duey Sensory Garden. We truly appreciate the support from the Boy Scouts.

Fit-2-Serve is almost 100% volunteer-based if you are interested in volunteering. Please scan the QR code for more details.
